

19.40.100 Density.

The allowable density for planned unit developments and dwelling groups shall be determined by the planning commission on a case by case basis, taking into account the following factors: recommendations of county and non-county agencies; site constraints; compatibility with nearby land uses; and the provisions of the applicable general plan. Notwithstanding, the planning commission shall not approve a planned unit development with density higher than the following:

Single-family dwellings	7.0 units per acre
Two-family dwellings	12.0 units per acre
Three-family dwellings	15.0 units per acre
Four-family dwellings	18.0 units per acre
